Warning

If you ignore this order your goods may be removed and sold, or other enforcement proceedings may be taken against you. If this happens further costs will be added. If your circumstances change and you cannot pay, ask at the court office what you can do.

Note to claimant and defendant

Either of you may object to the rate of payment fixed. You must apply to the court with your reasons within 16 days. The 16 days runs from the date on the envelope in which the judgment was posted. A form is available from the court. A hearing may be arranged and you will both be told when and where it will take place. If you live in another court's area, the claim may be transferred to that court.

Note to the defendant

Details of this judgment will be entered in a public register, the Register of Judgments, Orders and Fines. They will then be passed to credit reference agencies, which will supply them to credit grantors and others seeking information on your financial standing. **This will make it difficult for you to get credit.** A list of the credit reference agencies is available from Registry Trust Ltd, 173/175 Cleveland Street, London W1T 6QR. **If you pay in full within one month**, you can ask the court to cancel the entry on the Register. You will also need to give the court proof of payment. There is no fee to do this. If you **also** want a Certificate of Cancellation from the Court, a fee is payable. If you pay the debt in full after one month, you can ask the court to mark the entry on the Register as satisfied and, for a fee, obtain a Certificate of Satisfaction to prove the debt has been paid.

If judgment is for £5000 or more or is in respect of a debt that attracts contractual or statutory interest for late payment, the claimant may be entitled to further interest.
